

## Awarded "10 Best" for 26 consecutive years in TechInsights Customer Satisfaction Survey

2023.06.23

KOKUSAI ELECTRIC CORPORATION (President and CEO: Fumiya Kanai, Head Office: Chiyoda-ku, Tokyo, Japan) has won two categories, "10 Best Suppliers" and "The Best Suppliers" in the TechInsights 2023 Customer Satisfaction Survey. "10 Best Suppliers" recognizes the top 10 semiconductor production equipment suppliers as rated by customers, and "The Best Suppliers" recognizes outstanding semiconductor production equipment suppliers by product type. Therefore, we have been awarded the "10 Best Suppliers" for 26 consecutive years.

KE Group has been recognized as one of "The Best Suppliers" for its excellent product performance and uptime.

Based on the corporate slogan "Technology & Tai-wa for Tomorrow," we will continue to pursue economic, environmental, and social value in terms of business activities and ESG initiatives (environmental and social issue resolution and strengthening governance) to contribute to the sustainable growth and social development of the KE Group.
