

Exhibit at "SEMICON KOREA 2024"

2024.01.26

We will be exhibiting at "SEMICON KOREA 2024" from January 31, 2024 (Wed) to February 2, 2024(Fri) at COEX, Seoul, Korea.

"SEMICON KOREA 2024" is an international exhibition that displays production technologies, equipment, and materials for the semiconductor industry, and at our booth, we will introduce KE Group's semiconductor manufacturing equipment, business activities, and ESG management efforts through videos.

Please give us a lot of attention.
