

Awarded "Excellent Partner" at SK hynix Best Partner Award 2024

2024.12.18

Our company received the "Excellent Partner" award at the SK hynix Best Partner Award 2024 held on November 4, 2024.

Approximately 90 partner companies including us participating in this event, we were highly praised for contributing to mutual development and quality competitiveness improvement through active collaboration with customers.

Under the corporate slogan "Technology & Tai-wa for Tomorrow," we will pursue economic, environmental, and social values from both business and ESG(resolving environmental and social issues and strengthening governance) aspects, with the aim of contributing to the achievement of SDGs and realizing a sustainable society and KE group's sustainable development.
