

Winner of "Outstanding Partner Company" at Samsung Electronics "2024 Win-Win Cooperation Day"

2024.04.26

We were awarded the "Outstanding Partner Company - Grand Prize" at the Samsung Electronics "2024 Win-Win Cooperation Day" held on March 28, 2024.

The "Win-Win Cooperation Day " was attended by 202 member companies, including our company. Of these, 11 partner companies that made significant contributions to Samsung's business were selected for the Grand Prize. The Prize was given in recognition of the Company's "outstanding achievements in promoting challenging and creative innovations to differentiate itself from its competitors and ensure competitiveness."

Under the corporate slogan of "Technology & Tai-wa for Tomorrow," the Group will continue to improve the performance and quality of its products, enhance its services, and pursue economic, environmental, and social value from both the business and ESG perspectives. Thus, it will contribute to achieving the SDGs and realizing both a sustainable society and the Group's sustainable development.
