

Received the "Presidential Citation" at the 18th Semiconductor Day

2025.12.02

At the 18th Semiconductor Day event held on October 22, 2025, Yong-Sung Park, President & CEO of our company, received the "Presidential Citation."

This event serves to honor individuals and companies that have contributed to the development of the semiconductor industry, a key export industry in Korea. The "Presidential Citation" is a prestigious award that follows the Order of Industrial Service Merit and the Industrial Service Medal.

In this award, President & CEO Park was recognized for his contributions to enhancing technological development capabilities, quality, and competitiveness in Korea's semiconductor industry, as well as for his efforts to improve working conditions for those employed in the semiconductor sector.

Under the corporate slogan "Technology & Tai-wa for Tomorrow," we will pursue economic, environmental, and social values from both business and ESG (resolving environmental and social issues and strengthening governance) aspects, with the aim of contributing to the achievement of SDGs and realizing a sustainable society and KE Group's sustainable development.
